Here they are able to build meaningful friendships and develop independence through fun-filled social opportunities. What Ability is an approved Voluntary Out of Home Care (VOOHC) provider and supports participants in accordance with all relevant VOOHC requirements.

**The unique experience is aimed at:**

- Providing unique social opportunities
- Facilitating interactions and engagement with others of a similar age and interests
- Supporting development of meaningful friendships
- increasing independence in self care skills
- Exposing participants to new and different age appropriate activities they don't normally have the opportunity to access
